Cobb County Schools: A District of Distinction

The Cobb County School District is the second largest school system in Georgia and the 28th largest in the United States. Its student population grows by nearly 2,500 each year.

Continuing a strong tradition of excellence in education, student achievement remains the primary focus. This is evident in the "report cards" that annually evaluate the performance of Georgia's schools and school districts. Cobb schools have earned 13 National Schools of Excellence and 30 Georgia Schools of Excellence awards.

Curriculum

Due to the level of difficulty, some courses receive extra weight in calculating a student's grade point average (GPA). Additional quality points are calculated into the overall GPA and are not reflected in the numerical averages.
